

J. B. CHEMICALS & PHARMACEUTICALS LIMITED

Dear Colleagues,

It is my pleasure to welcome Mr. Nikhil Chopra who has joined our organisation in the capacity of **‘Chief Executive Officer & Whole Time Director’** from October 5, 2020 based out of Corporate Office, Prabhadevi.

In his past stint, he was associated with Cipla for over 24 years, of which the last five years he was **‘India - CEO’**. For over two decades he has spearheaded breakthrough ideas focused on creating greater access to high quality treatment and medicines and gained significant competitive advantage over peers, especially in categories such as Respiratory, Urology, Hospital Business, HIV and Pediatric Care.

Mr. Chopra has been at the forefront of innovation and driven mass scale digital transformation projects for field-force and HealthCare Practitioner (HCP) engagements. His endeavors have led to implementation of the largest *Direct to Consumer* and *Patient Support Program* initiatives in the pharma industry.

He has also led strategic partnerships with innovator companies for patented medicines and new drug delivery systems – Respiratory, Cardiology, Diabetes and Oncology.

Mr. Chopra’s dynamic leadership is backed up with immense experience in Nurturing Talent, Driving cross functional Collaboration, Business Transformation and Innovation will surely take J.B. Chemicals and Pharmaceuticals Limited to newer heights.

Mr. Chopra completed his Graduation and Masters in Organic Chemistry (Gold Medalist) from Gujarat University, School of Science in 1996.

Please join me in welcoming Mr. Nikhil Chopra to J.B. Chemicals and Pharmaceuticals Ltd. family and wish him a very long and fruitful journey with the organisation.

His email id is nikhil.chopra@jbcpl.com.

Regards,
